Sir:

The *Office Action*, marked *Final*, from Examiner Thomas Irvin of Art Unit 3657, dated 16 June 2010, has been received and carefully reviewed. In response thereto, Applicant respectfully submits this *Response and Amendment After Final Rejection*.

Applicant clarifies its arguments as to the patentable distinctions between the cited prior art and the present invention, and respectfully submits that the cited references neither teach nor suggest the present invention.

Applicant further submits this *Response and Amendment After Final Rejection* does not raise new matter issues or raise issues requiring further consideration or searches. It is respectfully requested that the Examiner reconsider the pending *Final Office Action* for the following reasons and remarks.
